

In English we will learn about:

As writers we will be:

Writing a story inspired by the animated short film, *Alma*.
Identifying features of non-fiction writing and writing reports about Ancient Greece.
Exploring myths and legends of Greek mythology.
Alongside this we will be continuing to build on our grammatical knowledge and immersing ourselves in the reading and enjoyment of a wide variety of texts.

In Maths we will learn about:

Place Value: Numbers up to 10,000,000.

Arithmetic: Column addition, subtraction, formal methods of written division and multiplication, adding, subtracting, dividing and multiplying fractions.

Geometry: Properties of shapes and position and direction as well as angle properties.

Measurement

In PSHE we will be learning about

Celebrating differences!

Promoting tolerance, respect and friendship through comparing different backgrounds, characteristics, and experiences.

Learning about how our beliefs and ideas can impact others and strategies to support inclusion.

In R.E. we will learn about:

Jesus The Teacher.

Carefully considering the messages of parables and how they impact on the lives of practicing Christians.

Easter Victory

Looking in more depth at the Easter story and its links to Christian beliefs.

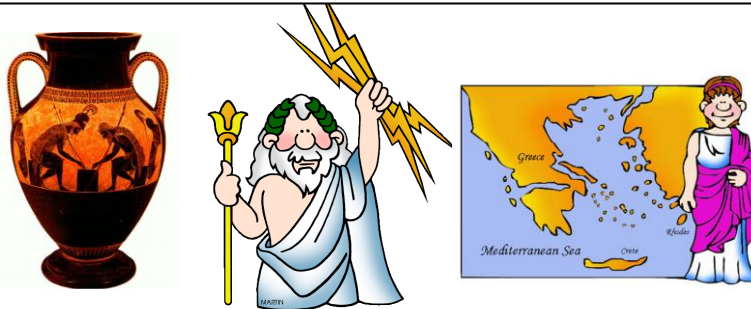

In Science we will learn about:

Animals including humans - we will be learning about changes through the human life cycle.

Space - looking specifically at the moon in relation to the sun and how night and day are created.

It's All Greek to me!

Spring 2020- Ash Class

In Art and DT we will learn about:

We will be using different tools to create effects in clay, planning and creating our very own Greek masks. As well as looking closely at lines and shapes in drawings, as we look at the fabulous architecture of the Grecian temples. We will also be tasting some samples of foods that are traditionally eaten in Greece.

In Music we will learn about:

Learn a song about the ancient Greeks. Delve into battle music, including those used for battle scenes in adventure films. Create and perform our own compositions using our knowledge of musical notation.

In PE we will learn about:

Blackburn Rovers Move and Learn sessions in which we will learn about how to live a healthy lifestyle.
At Darwen leisure centre, we will be learning how to swim and how to stay safe in water.

In Geography we will learn about:

The human and physical features of Greece and be able to locate Greece on a map.

We will learn about famous mountainous regions focusing particularly on Mt Olympus.

Compare and contrast maps of Ancient Greece with how Modern Greece looks today.

Plan our own journey to Greece, looking at the tourist industry and how it has changed the landscape over the years.

In history we will learn about:

Look at timeline of events in Ancient Greece, including the creation of the Olympic Games and how that has changed through the years. Looking at key events of Greek history and famous Grecian figures who have changed our world.

In Computing we will learn about:

Using our links with the local high school we will be heading down to DACA to use their computer suite to learn how to create animations. Planning and creating our own with stop frame motions.

PE Kits: PE Kits will be needed for Tuesday mornings for Blackburn Rovers 'Move and Learn' sessions. White T-shirt, black shorts & black pumps. Please keep in school at all times. Jewellery, e.g. earrings **must** be removed.

Homework: Maths homework will be given every Friday to be returned on the following Thursday. Spellings will be set on Spelling Shed each week.

Reading: Reading books are to be taken home every day and need to be returned everyday as there are opportunities for children to read their books throughout the week. Please try to listen to your child read at home!
