

In Maths we will learn about:

Number and place value, including negative numbers and Roman numerals
Place value and mental calculation
2D shape & 3D shape
Mental calculations
Statistics and data handling
Written calculations
Mental calculations

In Computing we will learn about:

Online Safety Is Our Responsibility - We will be focusing on 'How to make good choices when I present ourselves online.'

In PE we will learn about:

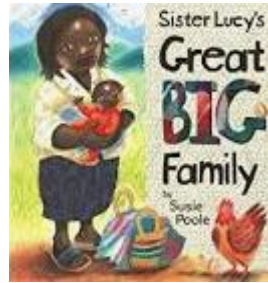

Fundamental PE skills - We will be developing running, jumping, ball skills and balance skills through carefully chosen games and activities.

In Music we will learn about:

The Orchestra and identify the different sections and be able to give examples of each.
Using ICT to organise musical ideas to create a carnival style backing track

In Science we will learn about: Electricity

We will learn how electricity has changed over the years, how electrical circuits work and recognise electrical symbols and components. We will also construct and compare circuits.

England - A Green And Pleasant Land!

In PSHE we will be learning about:

Jigsaw Recovery Package based on Coronavirus - We will identify ways to keep ourselves and others safe from the Coronavirus in school and in the community.

Rules to live by - We will be asking, 'Why should we follow rules?' and creating our classroom rules

In Geography we will learn about:

The British Empire & The Triangular Trade Route - We will find out about the British Empire and its links to the rest of the world. We will be using the index of an Atlas to help us research The Triangular Trade routes and the trading of resources to and from Britain.

In English we will learn about:

Stories from Other Cultures
Non-Chronological Reports
Letter Writing

Other activities will include:

Guided Reading, Reading Comprehension, Grammar & Spellings

In RE we will learn about:

Life As A Journey - We will map the journey of a Christian, highlighting rites of passage. We will research places of pilgrimage, including non-Christian places of worship

In History we will learn about:

Multicultural Britain and Migration to Britain from the first invaders to modern times. We will find out how Britain became so culturally diverse and why people chose to live here.

In DT we will learn about:

Carnival Lanterns - We will research Caribbean carnivals to create a prototype before making a carnival lantern, recognising when art is from different cultures

In Art we will learn about:

The Artist 'Jacob Lawrence' and the Railway Underground. We will research his work and replicate his style.

PE: Please note that **all jewellery**, e.g. earrings **must** be removed. **Friday** - Come to school in PE kit and wear it all day.

Homework: Our Homework Grid will be available on See-saw and children can return their work via the App so that no paper is brought to and from school.

Spelling Test: Spellings will be shared on Spelling Shed (Children will bring password cards home), use the games to practise each week ready for their test on Thursday.

Reading books: No reading books will be sent home yet - children will read their reading books in school regularly. Please encourage children to practise their reading with a variety of reading materials at home.
