It has come to our attention that many children are arriving in school with a lunch box overflowing with food. Please think carefully about how much and what you are packing for your children. According to NHS choices a balanced lunchbox should contain: Starchy foods like bread, rice, potatoes or pasta, Protein foods like meat, fish, eggs or beans, A dairy item, like cheese or yogurt, Vegetables or salad and a portion of fruit.

Kindness continues at St. Peter's...

We have another pupil who is willing to donate their hair for such a worthy cause.

Fayth is fundraising for Little Princess Trust, and she would really appreciate you support.

The Little Princess Trust provides free real hair wigs to children and young people, up to 24 years, who have lost their own hair through cancer treatment or other conditions.

Can you please ensure your child comes to school with a waterproof coat. The weather is starting to change and children will still be accessing outdoor areas.

Congratulations!
